SUMMARY

Motivated final-year B.Tech Computer Science student seeking to build a successful career in software engineering by applying knowledge of Java, Python, JavaScript, MySQL, and Android development. Experienced in building web and Android projects including a Placement Preparation Planner and an Internship Recommendation App. Aiming to enhance technical skills, gain real-world experience, and contribute effectively to a product-based organization

EDUCATION

B.Tech - Computer Science & Engineering
D. Y. Patil College of Engineering & Technology
2023 - 2027 CGPA **8.0** / 10.0

12th | HSC
Shree Shamrao Patil College, Talsande
2023 % **79.00** / 100.00

10th | SSC
New English School, Boriwade
2021 % **92.00** / 100.00

PROJECTS

Placement Preparation Planner

Personal Project

- Key Skills: Java Python Firebase HTML CSS
- Developed a full-stack Placement Preparation Planner to help students organize aptitude practice, coding prep and interview schedules. Integrated Firebase for real-time cross-device sync and built a responsive front-end with HTML & CSS

Internship Recommendation App

Android Project

- Key Skills: Java SQLite HTML CSS Android Studio
- Built an Android-based Internship Recommendation App that suggests relevant internship opportunities based on a student's skills, interests, and academic profile, improving the efficiency of the internship search process

CUSTOM

Active Participant — College Technical & Cultural Committee

Participated in organizing and coordinating college cultural events and technical fests. Represented the college in inter-college sports events (Cricket & Football). Volunteered in college community activities and social programs

Gender: Male

SKILLS

HTML CSS Java Python

JavaScript Android Development

Web Development MySQL

SQLite Firebase Problem Solving

C C++ Git GitHub

LANGUAGES

English
Proficient

Hindi
Proficient

Native

KEY ACHIEVEMENTS

Participated in Smart India Hackathon (SIH)
Collaborated in a team to design and present an innovative tech solution

Completed a professional Cloud Computing Virtual Internship
Gaining expertise in cloud services, deployment, and virtualization concepts

Demonstrated strong problem-solving skills
Across academic projects and competitive programming practice

AWARDS

Participated in Smart India Hackathon (SIH)
Successfully cleared the internal hackathon round, demonstrating strong problem-solving and teamwork skills

CUSTOM

Marital Status: Single

AWARDS

Completed Cloud Computing Virtual Internship

Recognized for timely completion and strong technical grasp of cloud fundamentals

INTERESTS

Cricket and Football

Gaming

Travelling and Exploring New Places
